News of the Payne's Valley Cup comes on the heels of PGA TOUR Champions events at Ozarks National and Buffalo Ridge Springs featuring back-to-back 54-hole tournaments televised worldwide on The GOLF Channel. World Golf Hall of Famer Phil Mickelson also made his PGA TOUR Champions debut at the Ozarks National tournament, where he ultimately secured a victory.

"The breathtaking beauty and pure majesty of my native Ozarks is something you have to see to believe. To be able to harness this unique landscape and make it come alive through our golf courses has been an honor that has been driven by passion," said Morris, noted conservationist and founder of Bass Pro Shops and Big Cedar Lodge. "Tiger and I have a twenty-year friendship that started through fishing and has evolved into the great partnership that created Payne's Valley. We look forward to showcasing this destination to the world through the Payne's Valley Cup and truly believe we are creating 'America's Next Great Golf Destination.'"

Through the alliance between Morris and Woods, the 18-hole layout of Payne's Valley, named in honor of golf legend, Ozarks native and dear Morris and Woods friend, Payne Stewart, was created with the intent to foster a deeper connection to nature through the game of golf.

Bonus 19th hole is being celebrated as one of the most remarkable golf holes in the world!

The course features an unforgettable par-3, 19th bonus hole designed by Johnny Morris to showcase the nature and beauty of the Ozarks. Payne's Valley joins four existing and top-rated courses at the resort – Buffalo Ridge Springs (Tom Fazio), Ozarks National (Bill Coore & Ben Crenshaw), Mountain Top (Gary Player) and Top of the Rock (Jack Nicklaus). Ozarks National and Buffalo Ridge Springs claimed the top two spots in *Golfweek's* 2020 annual rankings of the "Best Course You Can Play in Missouri." Ozarks National earned the top spot following its grand opening last year with Buffalo Ridge – last year's winner – following at No. 2. Ozarks National has also earned ranking as the Best New Course in *Golf Digest*. Big Cedar Lodge is now one of the best and largest golf resorts, including the top three 18-hole courses in the state and two of the most acclaimed short courses in the world. Last September, *Golf Magazine* named Big Cedar Lodge, America's premier wilderness resort, as the No. 1 family golf resort in North America, as part of its Top 100 Resorts issue for 2019-2020. Underscoring a commitment to conversation, all courses at Big Cedar Lodge are designated as Audubon Sanctuaries. This aligns with Morris' greater commitment to conservation and his recent acceptance of the prestigious Audubon Medal.
